

Bright Light Volunteers is actively working to support the United Nations' 17 Sustainable Development Goals to transform our world.

NO POVERTY: We strive to provide global service learning programs to students who demonstrate financial need, through our scholarship program.

We support local in-country hostels, homestays, restaurants, and activities in an effort to support fair trade at each destination.

ZERO HUNGER: We provide programs centered around sustainable, organic, permaculture farming practices.

GOOD HEALTH AND WELL-BEING: We provide programs centered around sanitation, oral hygiene, and general health clinics in impoverished regions.

QUALITY EDUCATION: We provide three hours of transferrable college credit to program participants through our partnership with Bethel University.

We provide programs centered around English, Mathematics, and Science education in impoverished regions.

GENDER EQUALITY: Our all-female top management team ensures equal opportunities for leadership at all levels of decision-making.

CLEAN WATER AND SANITATION: We provide programs centered around building water wells and sanitation stations in impoverished regions.

AFFORDABLE AND CLEAN ENERGY: We utilize modern technology and sustainable energy practices by conducting most business through e-communication.

DECENT WORK AND ECONOMIC GROWTH: We provide programs that support the economies of impoverished regions.

INDUSTRY, INNOVATION AND INFRASTRUCTURE: We provide programs that are centered around supplying sustainable infrastructure equitably to all.

REDUCED INEQUALITY: We encourage the inclusion of all, irrespective of age, sex, disability, race, ethnicity, origin, religion, economic, or other status.

We provide programs that are centered around teaching English – the international language of business and education – to help reduce global inequalities.

SUSTAINABLE CITIES AND COMMUNITIES:

We provide programs that are centered around protecting the world's cultural and natural heritage.

RESPONSIBLE CONSUMPTION AND

PRODUCTION: We provide programs that are centered around educating students on reducing waste through prevention, reduction, recycling, and reuse.

CLIMATE ACTION: We provide programs that include educational awareness on climate change mitigation, adaptation, impact reduction, and early warning.

LIFE BELOW WATER: We provide programs that are centered around cleaning plastic pollution from beaches and waterways.

LIFE ABOVE WATER: We provide programs that are centered around conservation of endangered elephants and native plant species.

PEACE AND JUSTICE STRONG INSTITUTION: We provide programs centered around building relationships through our ambassadors.

PARTNERSHIP TO ACHIEVE THE GOALS: Our main focus is mobilizing financial and volunteer resources for developing countries from multiple sources.
